International Conference
PractiCORR 2025
www.practicorr.org
Warsaw, 25–27.11.2025

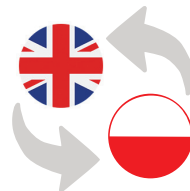

Welcome to **PractiCORR 2025**

– the international conference on practical aspects
of corrosion protection and coating solutions!

The event will take place on **November 25–27, 2025**
in Warsaw, Poland and will bring together experts,
engineers and practitioners from around the world.

**Simultaneous translation will be provided
(Polish ↔ English).**

**Venue: Hotel Mercure Warszawa Centrum,
Złota 48/54 Street, Warsaw, Poland**

CONFERENCE TOPICS

1.

Corrosion Problems in Practice

- Real life cases: how to deal with corrosion in various industries
- Corrosion diagnostics: effective methods
- Effective repair techniques: proven ways to combat the effects of corrosion

2.

Surface Preparation:

- Methods of surface preparation: various mechanical and chemical techniques
- Assessing the quality of preparation
- **Case studies:** examples from practice

3.

Paints and Protective Coatings:

- Choosing the right coating systems: criteria for selecting paints and coatings
- Coatings application: practical tips
- Operational problems: typical failures and how to prevent them

4.

Anti-corrosion Equipment

- Presentation of modern tools and equipment for corrosion diagnostics and coating application
- **Practical demonstrations** • Technological innovations

5.

Business & Science + Speed-Dating

- Cooperation between industry and research institutions
- **Case studies:** successes in implementing new technologies in real projects
- The future of anti-corrosion technologies

6.

Inspector's Session

- The role of the anti-corrosion coatings inspector
- Modern technologies in coating inspection
- Common problems in inspection practice • **Discussion panel**

7.

Infrastructure Session (urban, road and railway, energy sector, offshore structures)

- **Case studies:** Successes and challenges in project implementation
- **Discussion panel:** How to improve the protection of critical infrastructure?

8.

Oil & Gas

- Corrosion challenges in the petrochemical industry
- Anti-corrosion protection technologies in extreme environments
- Technology transfer to other industrial sectors • **Case studies** • **Discussion**

9.

Fire-Protection Coatings Session

- Repair and renovation of fire protection systems – when and how?
- **Case studies** and best practices
- **Discussion panel:** Cooperation between designers, contractors and inspectors

10.

Protective Coatings in Military Appliances

- **Enhancing Operational Readiness**
- Sustainability in Defense

11.

Poster session • The Best Poster competition

EXHIBITION

At PractiCORR 2025, you will have the opportunity to learn about the latest products and services presented by leading industry exhibitors. This is a great opportunity to see the newest technologies, talk directly with manufacturers and suppliers, and find solutions that can improve your work.

WHY PARTICIPATE?

- Exchange of experience: You will learn the best practices and latest technologies used by industry leaders from different countries.
- Networking: You will meet professionals from around the world and make valuable contacts.
- Learn how to finance your R&D endeavours and seek for partners.

VALUABLE AWARDS FOR PARTICIPANTS

For the best presentation: €800

For the best poster: €500

Award sponsored by the Anticorr Agency Gdańsk in cooperation with DeFelsko® Corp. – a **DeFelsko® PosiTector® 6000 FS Standard coating professional inspection gage**, to be drawn among PractiCORR conference participants.

Award sponsored by the Road and Bridge Research Institute, Corrosion and Chemistry Department – **participation in any IBDiM course on corrosion protection, conducted in 2026 (in Poland, in Polish), for €1**, for one PractiCORR conference participant.

• Award sponsored by SLV Duisburg and SLV Polska – **participation in the Frosio Anticorrosion Inspector or FROSIO Insulation Inspector course, for €1** (conducted in Poland, in Polish, and in person), for one PractiCORR conference participant.

REGISTER YOUR PARTICIPATION

We invite you to register as a participant and exhibitor!

Contact us to learn more.

Register today and join us at PractiCORR 2025 in Warsaw.

Registration: **www.practicorr.org**

IMPORTANT DATES

- Submission of abstracts by October 25, 2025.
- Acceptance of abstracts by October 31, 2025.
- Submission of presentation by November 5, 2025.
- To apply to be an exhibitor by October 28, 2025.

REGISTRATION FEES

Registration fees [VAT included]	Early Registration (until 30 September 2025)	Regular registration (from 1 October 2025 to 30 October 2025)	Late registration (from 1 November 2025 to 24 November 2025)
EFC/PSK member	800 €	900 €	1 000 €
Non- EFC/PSK member	850 €	950 €	1 050 €
Student	400 €	450 €	500 €

The registration fees include: Access to conference materials (materials from lectures, exhibition area) • Access to sessions (presentations and lectures) and the exhibition area • Lunches, coffee breaks, gala dinner • Accommodation at the Mercure Warszawa Centrum hotel • Exhibition opening on Wednesday, November 25, 2025
