PractiCORR 2025

International Practical Conference
on Corrosion and Coatings Challenges

Welcome to **PractiCORR 2025**

– the international conference on practical aspects
of corrosion protection and coating solutions!

The event will take place on **November 25–27, 2025**
in Warsaw, Poland and will bring together experts,
engineers and practitioners from around the world.

**Venue: Hotel Mercure Warszawa Centrum,
Złota 48/54 Street, Warsaw, Poland**

CONFERENCE TOPICS

1.

Corrosion Problems in Practice

- Real life cases: how to deal with corrosion in various industries
- Corrosion diagnostics: effective methods
- Effective repair techniques: proven ways to combat the effects of corrosion

2.

Surface Preparation:

- Methods of surface preparation: various mechanical and chemical techniques
- Assessing the quality of preparation
- **Case studies:** examples from practice

3.

Paints and Protective Coatings:

- Choosing the right coating systems: criteria for selecting paints and coatings
- Coatings application: practical tips
- Operational problems: typical failures and how to prevent them

4.

Anti-corrosion Equipment

- Presentation of modern tools and equipment for corrosion diagnostics and coating application
- **Practical demonstrations** • Technological innovations

5.

Business & Science + Speed-Dating

- Cooperation between industry and research institutions
- **Case studies:** successes in implementing new technologies in real projects
- The future of anti-corrosion technologies

6.

Inspector's Session

- The role of the anti-corrosion coatings inspector
- Modern technologies in coating inspection
- Common problems in inspection practice • **Discussion panel**

7.

Infrastructure Session (urban, road and railway, energy sector, offshore structures)

- **Case studies:** Successes and challenges in project implementation
- **Discussion panel:** How to improve the protection of critical infrastructure?

8.

Oil & Gas

- Corrosion challenges in the petrochemical industry
- Anti-corrosion protection technologies in extreme environments
- Technology transfer to other industrial sectors • **Case studies** • **Discussion**

9.

Fire-Protection Coatings Session

- Repair and renovation of fire protection systems – when and how?
- **Case studies** and best practices
- **Discussion panel:** Cooperation between designers, contractors and inspectors

10.

Protective Coatings in Military Appliances

- **Enhancing Operational Readiness**
- Sustainability in Defense

11.

Poster session • The Best Poster competition

EXHIBITION

At PractiCORR 2025, you will have the opportunity to learn about the latest products and services presented by leading industry exhibitors. This is a great opportunity to see the newest technologies, talk directly with manufacturers and suppliers, and find solutions that can improve your work.

WHY PARTICIPATE?

- Exchange of experience: You will learn the best practices and latest technologies used by industry leaders from different countries.
- Networking: You will meet professionals from around the world and make valuable contacts.
- Learn how to finance your R&D endeavours and seek for partners.

WHO IS THIS CONFERENCE FOR?

- Engineers and technicians involved in structural preservation and protection.
- Specialists in corrosion and corrosion protection.
- Inspectors of corrosion protection
- Representatives of companies producing paints, varnishes and equipment for anti-corrosion work.
- Those responsible for maintaining road, industrial and marine infrastructure.
- Scientists cooperating with industry.

REGISTRATION FEES

Registration fees [VAT included]	Early Registration (until 30 September 2025)	Regular registration (from 1 October 2025 to 30 October 2025)	Late registration (from 1 November 2025 to 24 November 2025)
EFC/PSK member	800 €	900 €	1 000 €
Non- EFC/PSK member	850 €	950 €	1 050 €
Student	400 €	450 €	500 €

THE REGISTRATION FEES INCLUDE:

- Accommodation in Hotel Mercure Warszawa Centrum
- Exhibition Party and Gala Dinner on Wednesday 25th November 2025
- Access to the sessions (Oral presentations) and Exhibition
- Access to congress materials (Proceedings, Exhibition area)
- Coffee breaks, lunches, dinner

OUR SPONSORS:

IMPORTANT DATES:

- Submission of abstracts by October 10, 2025.
- Acceptance of abstracts by October 17, 2025.
- Submission of presentation by October 31, 2025.
- To apply to be an exhibitor by October 28, 2025.

AWARDS

The best oral presentation and the best poster will be awarded. The prize consists of a certificate and the sum of 800 € (presentation) and 500 € (poster). Rules can be found on the PractiCORR website.

SUBMIT YOUR PARTICIPATION!

Speakers, attendees and exhibitors alike are welcome to apply!

This is your chance to present your achievements, gain new knowledge and make valuable contacts in the industry.

Become a sponsor or exhibitor at the conference and present your brand to a wide range of professionals. We offer a variety of sponsorship and exhibition packages to suit different needs and budgets. **Contact us to learn more.**

Don't miss your chance to participate in this unique international event that will focus on the practical aspects of corrosion protection for the first time.

Register today and join us at **PractiCORR 2025** in Warsaw, Poland!

**Simultaneous translation English ↔ Polish
will be provided during the conference**
